Kelly Kwan

Hi my name is Kelly Kwan. I am a proud Dene from Birch Narrows/Turnor Lake. I have been a teacher since 1989, but an educator all my life. I am a graduate of the Nortep Program. I am very passionate about Land, Language and Culture. I am a fluent Dene Speaker. I am honored to be back home teaching Dene, Northern Lifestyles and Land Based Education. We are at a critical time with the state of our Language, Culture and Land. We all have a role to play. Thank you and have a wonderful Conference. Marsi Cho!

Birch Narrows Dene Community School Land Based Program

In this one-hour session, Kelly Kwan, Ron Desjardin and Barb Daigneault will be sharing a video and power point describing some of the activities that Birch Narrows Dene Community School is doing with the LLRC Program.
This will be more of an information session on what LLRC is to Birch Narrows and how we are trying to revive the Language and Culture with the children and youth in our community. We are trying to build positive relationships with everyone and reconnect people to the land. We will share ideas of how we utilize our Elders, Traditional Land Users and Community partners.
