2019 FULL CIRCLE CONFERENCE SPONSORSHIP MARCH 13-15, 2019

The Full Circle-Language Revitalization Education & Wellness Conference embodies all the areas of Language Revitalization and aims to provide intergenerational strategies that promote language learning in classrooms through the umbrella of Land, Languages, Relationship, and Culture. Furthermore, it ties the Ministry, Curriculum Outcomes, Instructional Resources, Assessment and Wellness to provide you with a full holistic model to language revitalization.

This conference is intended for Elders, educators, administrators, university students and anyone working with First Nation students. This conference showcases an array of presenters whom are committed to truth and reconciliation in the areas that connect youth to land, language, relationships and culture in a holistic, responsive and reflective practice.

The fundraising committee has created different levels of sponsorship to allow businesses of all levels to participate. Based on the level, sponsors will have a variety of opportunities to choose from in the way of benefits, exposure and recognition. Any and all sponsorship is greatly appreciated!

Donations to the Full Circle Conference 2019 may be made payable to:
